To Whom It May Concern,

We welcome this opportunity to tell you about a special young woman who has been diagnosed with a Thermal Anaplastic Astrocytoma Brain Tumor.

In February 2008, Annette Senior, a resident of Hallstead, PA., and an active member of several community organizations, received the news that she has an inoperable brain tumor. It is an aggressive type of tumor in an advanced stage, leaving very little hope for remission.

Annette has been undergoing many tests, radiation, and chemo treatments. However, everything that the doctors have attempted to do so far, has been unsuccessful. Annette and her loving husband, Brian, have been traveling to many different locations and great distances to get expert advice and help. Brian has found it necessary to take a leave of absence in order to stay at home and care for Annette, making sure that she has everything that she needs 24 hours a day, 7 days a week.

Although Annette had a terrific job that she loved, one which provided her with health insurance, she has had to leave that behind to fight the good fight to battle this tumor.

As one can imagine, there are ongoing and unforeseen expenses and difficulties. This is why her family and friends have come together and are holding this fund-raising benefit. We want to help Brian and Annette in their time of need. If there is anything that you can contribute to this loving woman, or to help make this benefit a success, it will be greatly appreciated. If official documentation is needed in order for you to make a donation, please contact Jen at (570)-879-8773 or by e-mail: jen_7768@yahoo.com.

Many remember that in 2004 Annette was viciously attacked by a black bear in her backyard in Hallstead. She was airlifted to a hospital in Scranton where she underwent several surgeries, suffered infection, and went through months of recovery. It was her courage, sweet spirit, determination, and faith, as well as the dedication of her husband, that brought her through. We know that this is what is bringing them through this very difficult time, and we admire them for their faith, their courage, and their strength.

Sincerely and Thank You,
The Family and Friends of Annette Senior
